The Nellis Honor Guard's primary, congressionally-mandated mission is to provide funeral honors.

Nellis is proud to support public events in surrounding communities whenever possible. However, due to the high volume of requests we receive, not every event can be supported. Federal law and Air Force regulations prohibit support to events where Honor Guard presence could imply endorsement of a for-profit entity, political or religious organization or viewpoint, private individual, or of illegal or controversial subjects which may discredit the United States armed forces or government. Though it is rare, your request may be cancelled without advance notice if the Honor Guard must retask its personnel for funeral support. We will consider requests submitted later than the 30 day window, but due to the large number of events we support, such requests are unlikely to be approved. Though there is no charge for the appearance of the Honor Guard, your organization may be required to cover any associated costs of providing support to the event such as meals, parking, travel, admission fees, lodging, etc.

Unfortunately, due to our mission and the volume of requests we receive, not all requests can be accommodated, and the **Honor Guard cannot support fundraising events**. In order for the Honor Guard to support an event it must fit into the guidelines set forth by AFI 35-101.

PLEASE REMEMBER THAT THE HONOR GUARD MUST GIVE PRIORITY TO FUNERALS. Therefore, though it is rare, support for your event may be canceled.
